

Within-Celltype Noise by Bewick Classification

Noise in: border cells

Noise in: root cap tip

Noise in: columella

Noise in: root cap early

Noise in: root cap lateral

Noise in: non-hair cells

Within-Celltype Noise by Bewick Classification

Noise in: epidermis early

Noise in: cortex ERS+

Noise in: hair cells ERS-

Noise in: hair cells early

Noise in: hair cells ERS+

Noise in: xpp ERS-

Within-Celltype Noise by Bewick Classification

Within-Celltype Noise by Bewick Classification

Within-Celltype Noise by Bewick Classification

Noise in: metaxylem ERS+

Noise in: protoxylem ERS-

Noise in: protoxylem ERS+

Noise in: protoxylem early

Noise in: metaxylem ERS-
