

Within-Celltype Noise by Cahn Classification

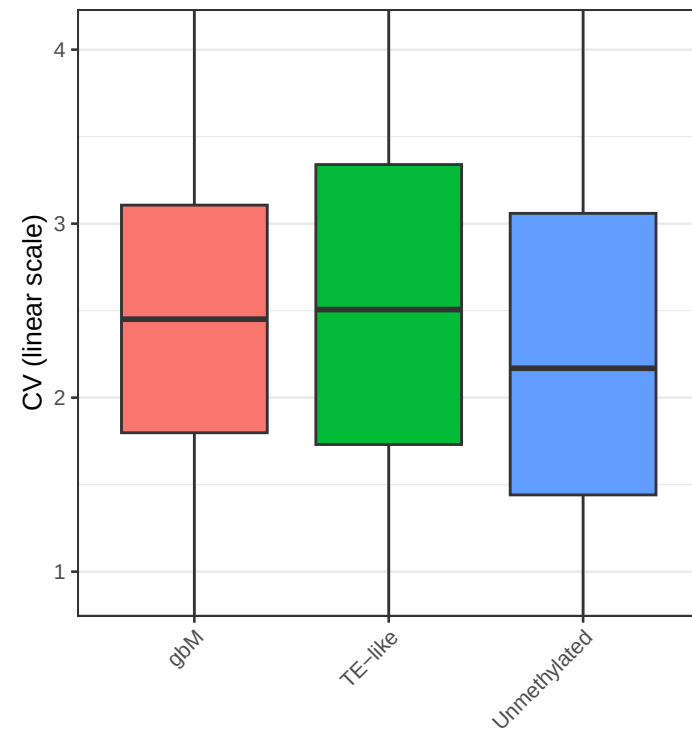

Noise in: border cells

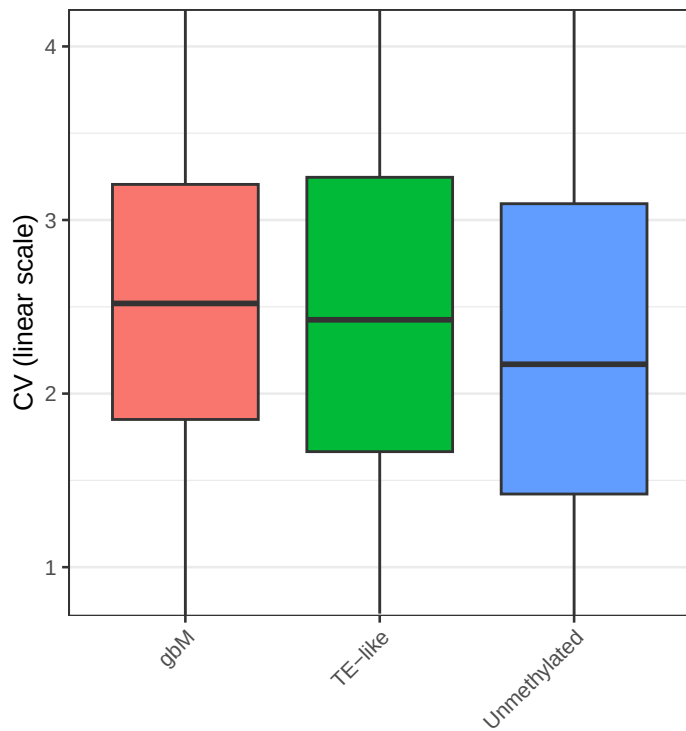

Noise in: root cap tip

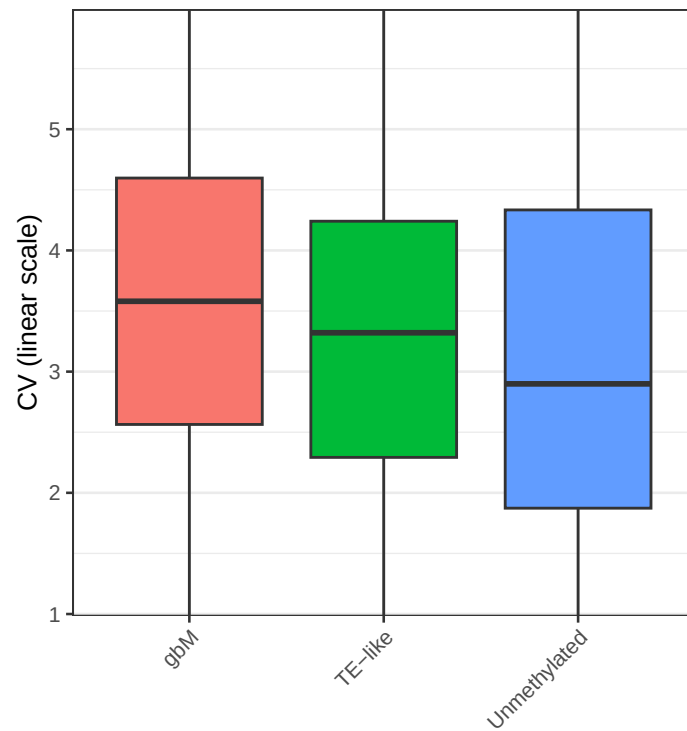

Noise in: columella

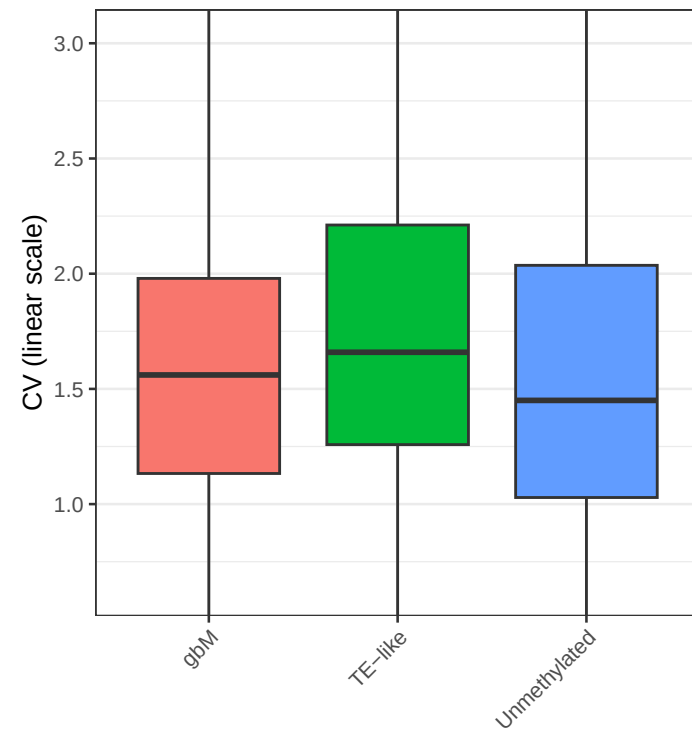

Noise in: root cap early

Noise in: root cap lateral

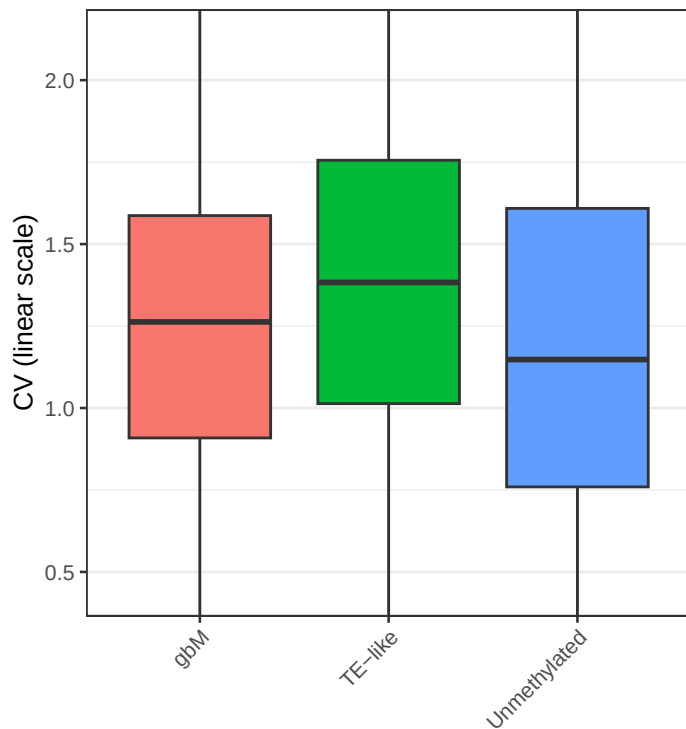

Noise in: non-hair cells

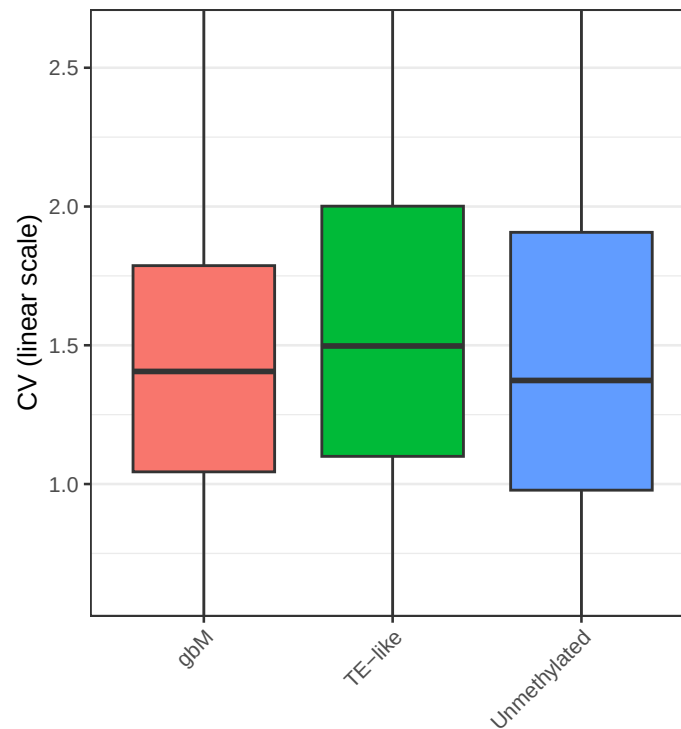

Within-Celltype Noise by Cahn Classification

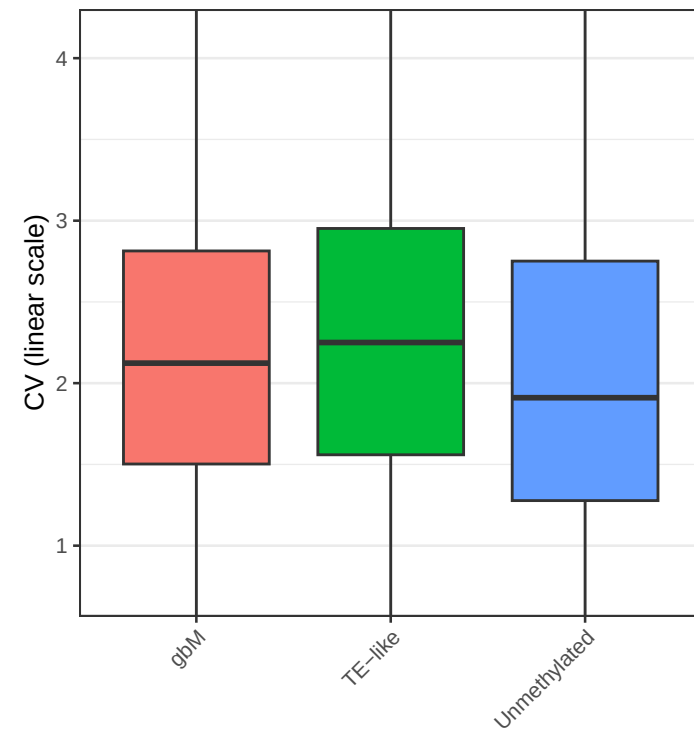

Noise in: epidermis early

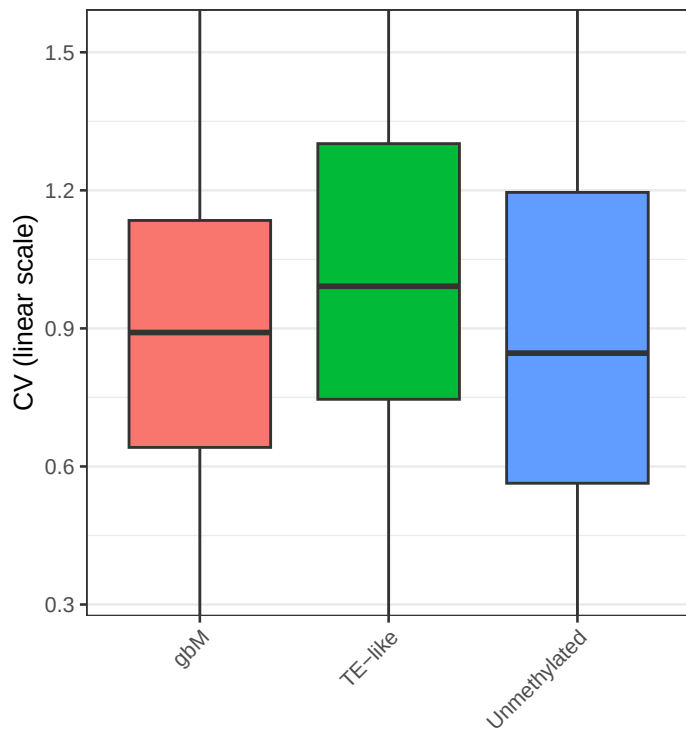

Noise in: cortex ERS+

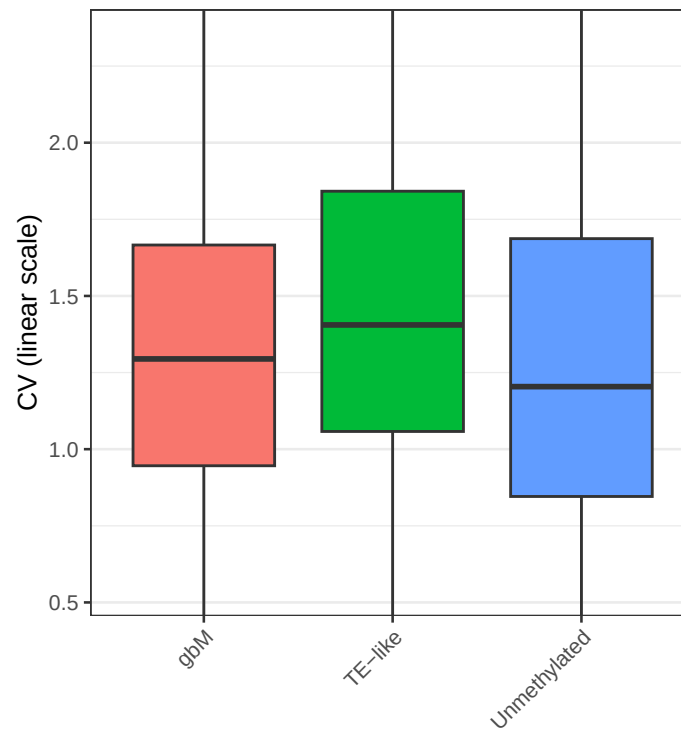

Noise in: hair cells ERS-

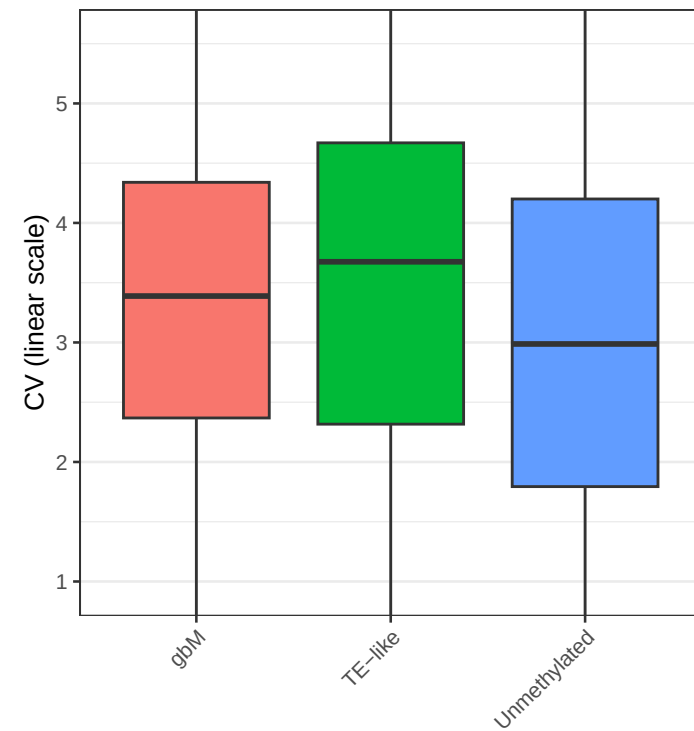

Noise in: hair cells early

Noise in: hair cells ERS+

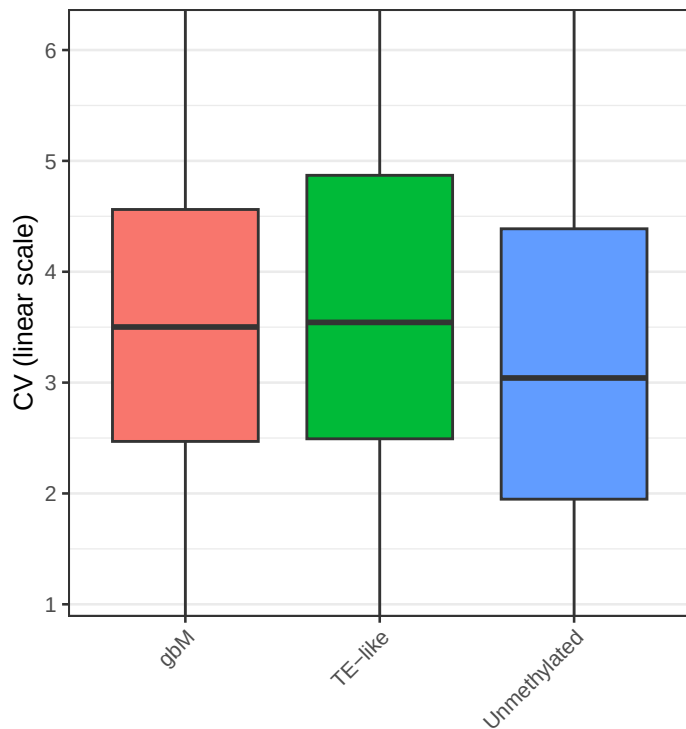

Noise in: xpp ERS-

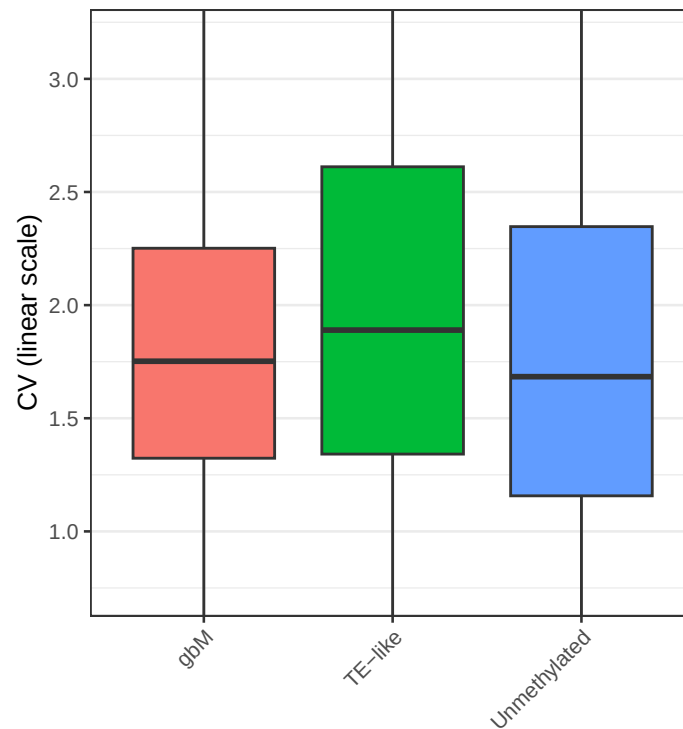

Within-Celltype Noise by Cahn Classification

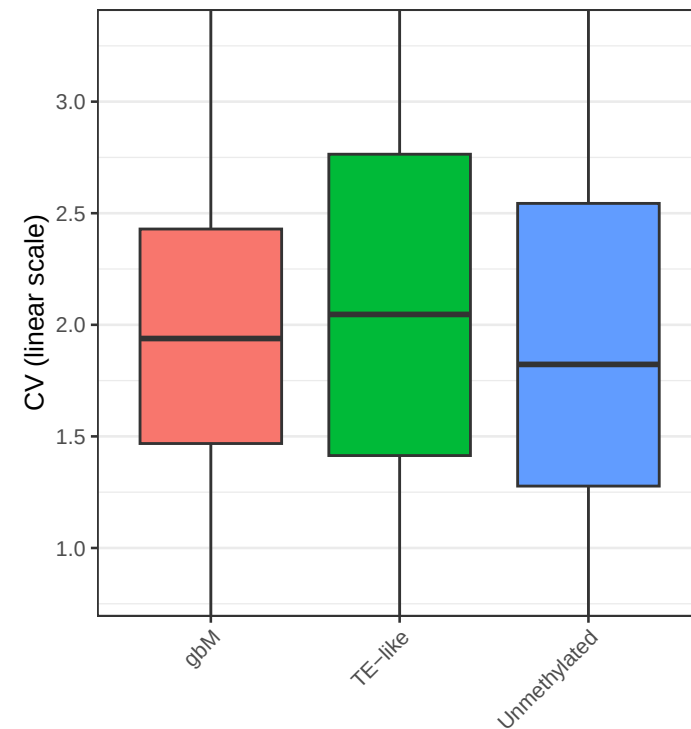

Noise in: cortex ERS-

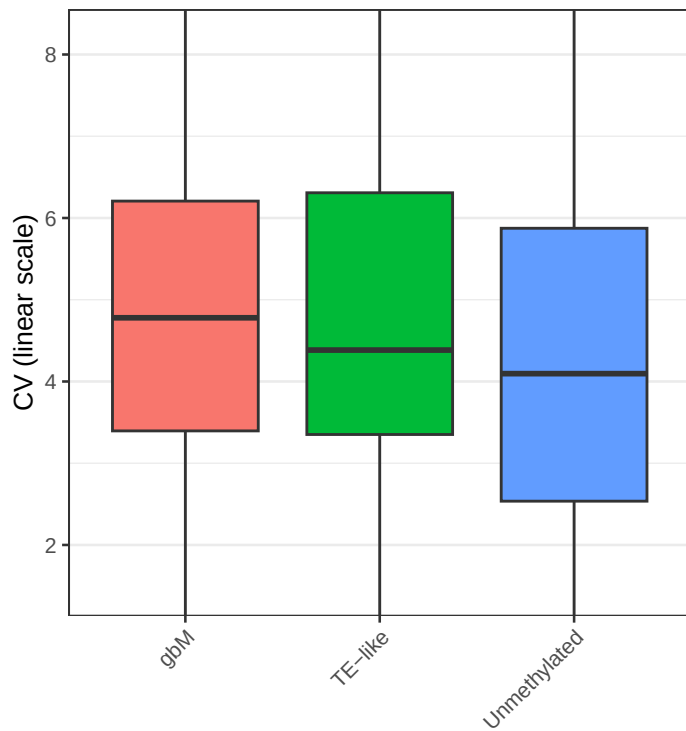

Noise in: endodermis ERS+

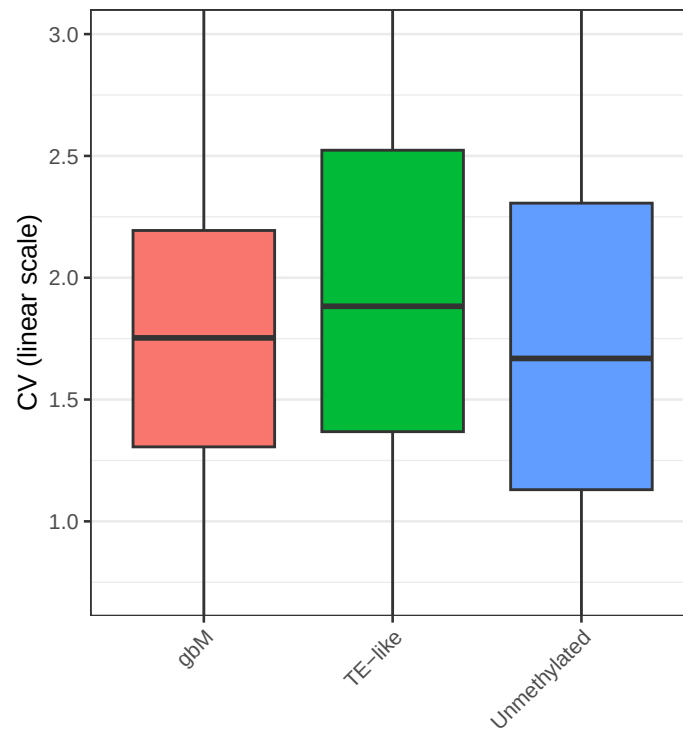

Noise in: ppp ERS+

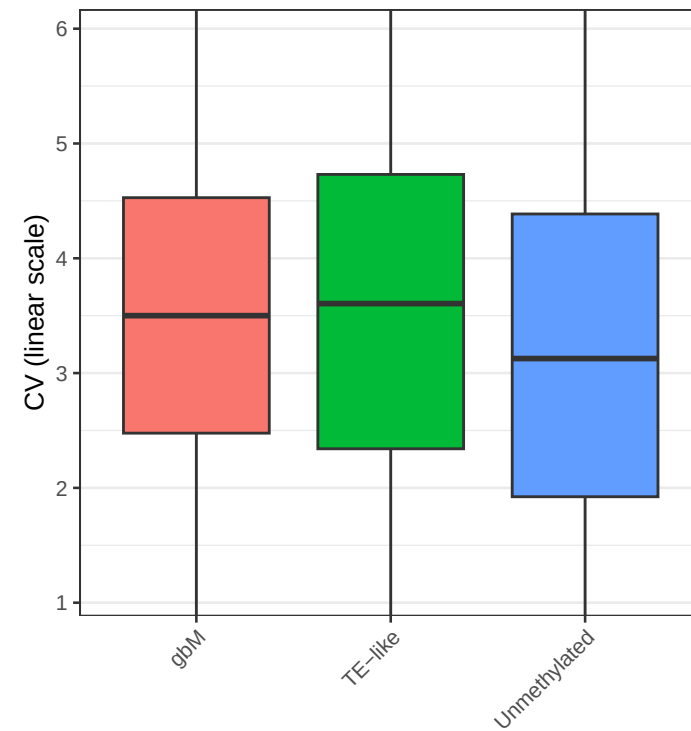

Noise in: endodermis ERS-

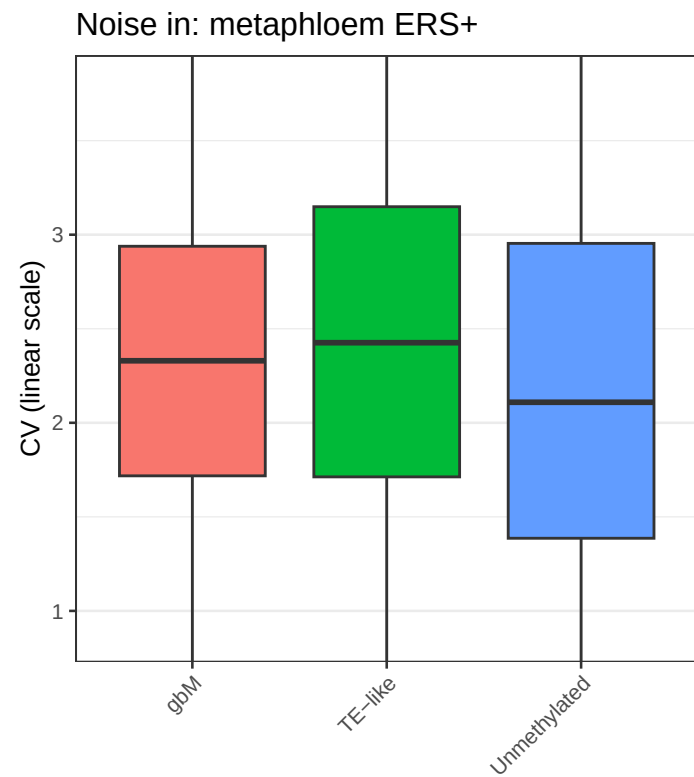

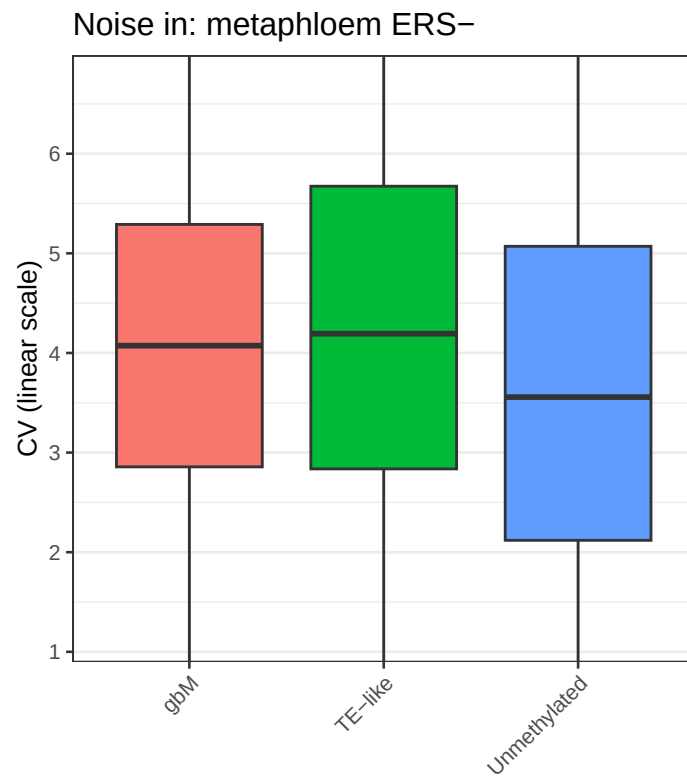

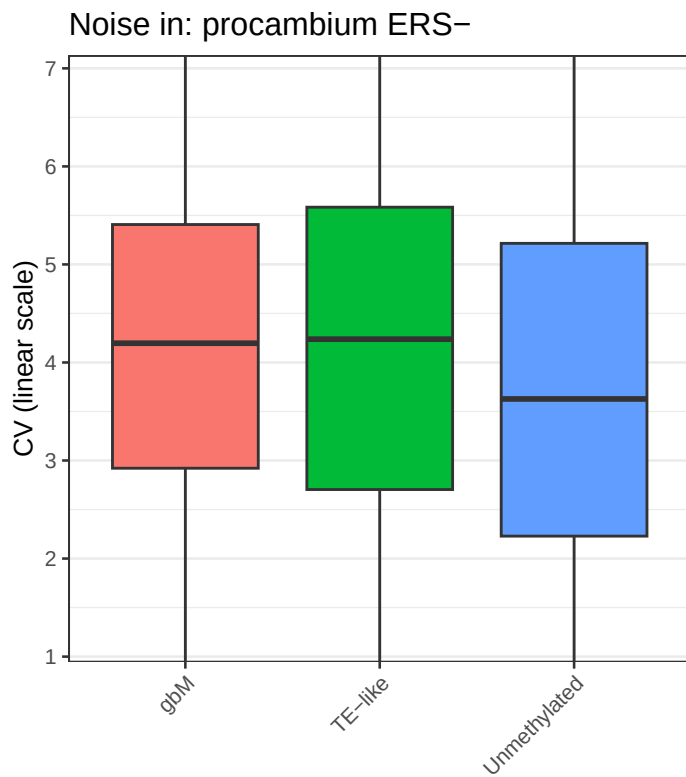

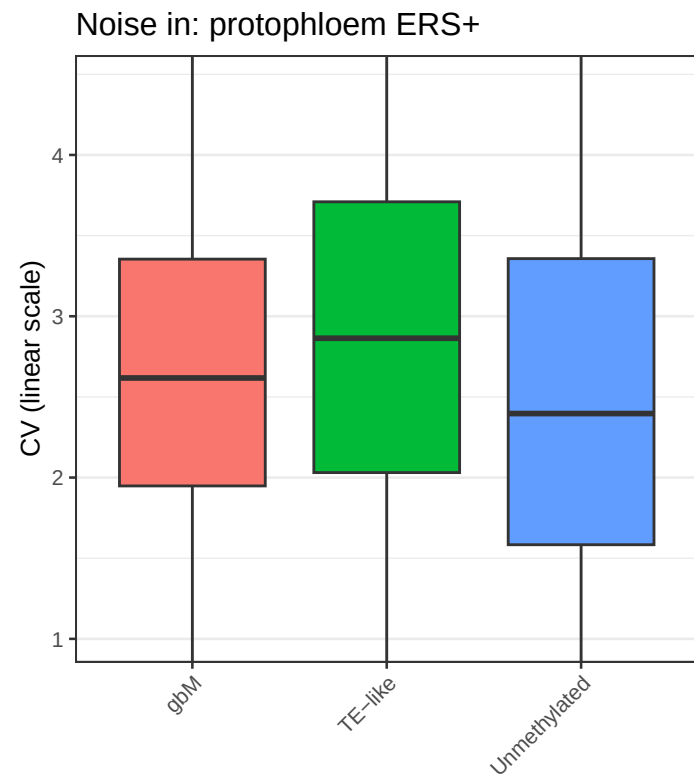

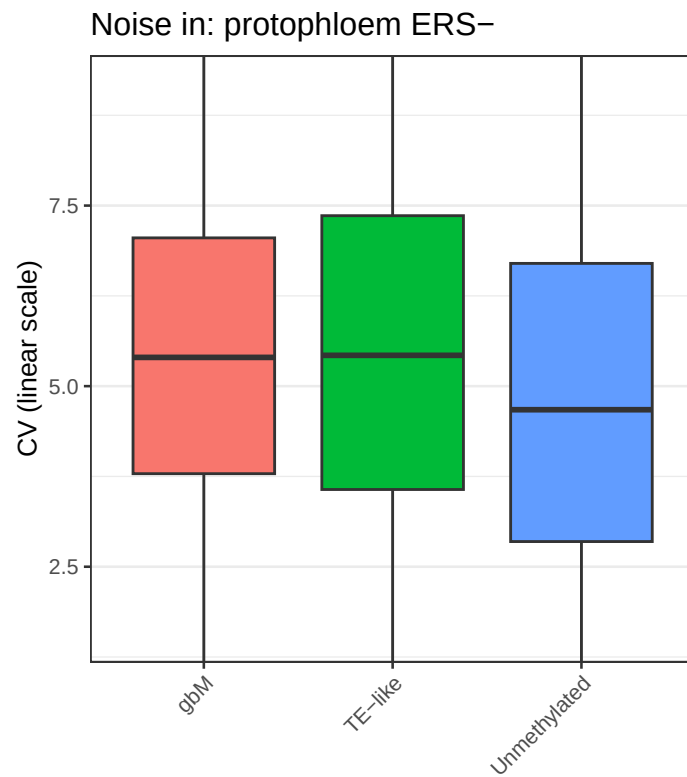

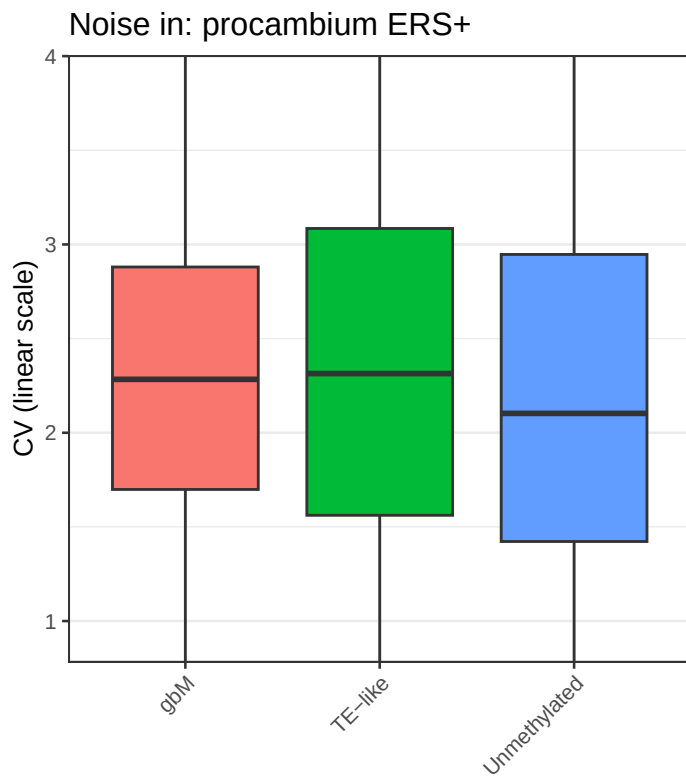

Noise in: xpp ERS+

Noise in: ppp ERS-

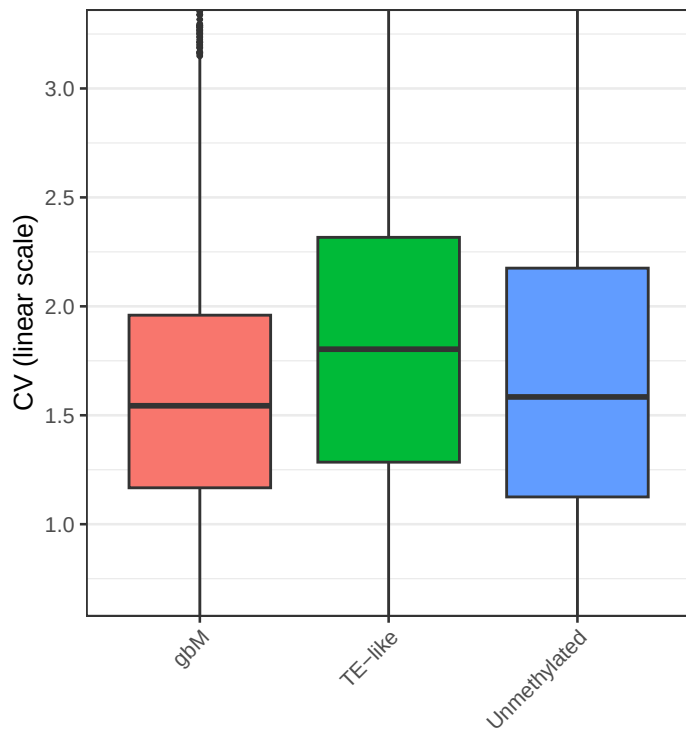

Within-Celltype Noise by Cahn Classification

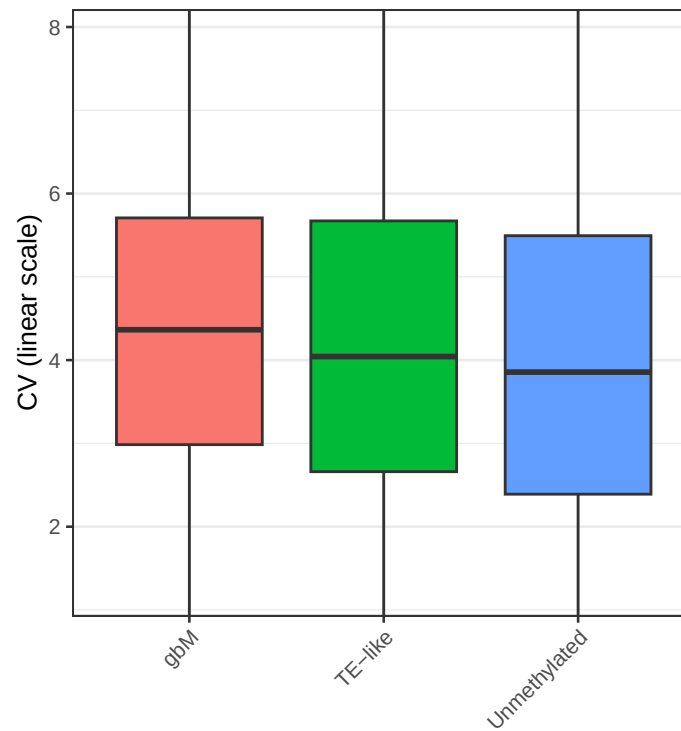

Within-Celltype Noise by Cahn Classification

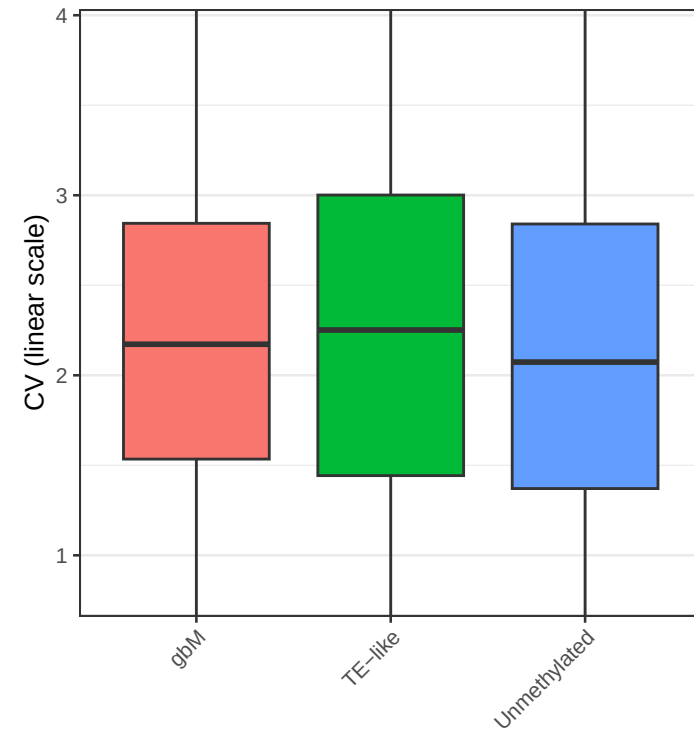

Noise in: metaxylem ERS+

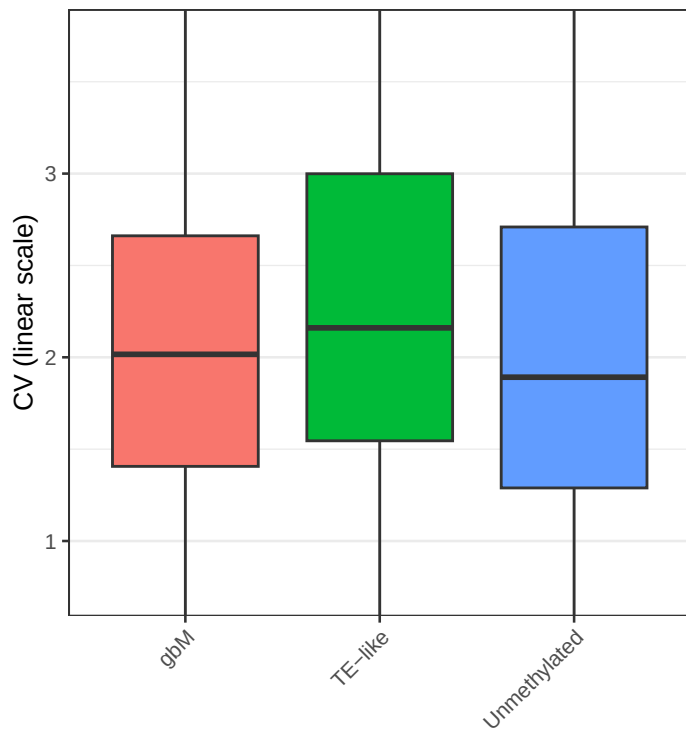

Noise in: protoxylem ERS-

Noise in: protoxylem ERS+

Noise in: protoxylem early

Noise in: metaxylem ERS-
